

## **I AM LOVED BY THE GOD WHO IS LOVE**

By Rick McKinney, September 2018

I am moved by the mercy of your graces.  
I am enveloped in the womb of your spaces.  
I am supported by your numberless braces.

I am loved by the God who is love.  
I am loved by the God who is love.

I am exposed to the wonder of your gazes.  
I am wrapped in the arms of your embraces.  
I find rest in the depths of your oasis.

I am loved by the God who is love.  
I am loved by the God who is love.

I am enlivened by the singing of your praises.  
I am surrounded by the prayers of saintly faces.  
I am enriched in the heavenly places.

I am loved by the God who is love.  
I am loved by the God who is love.

I am loved by the God who is love.
