

## **THIS IS MY BODY GIVEN FOR YOU**

By Rick McKinney, November 2020

It is in the heart of God to share His divine giving and receiving nature with His beloved creation.  
And it was the woman clothed with sun who first gave her body so that the Son could give His.

This is my creation given for you. This is my body given for you.

This is my image and likeness given to you. This is my body given for you.

This is her body given to her Son. This is my body given for you.

This is my beloved Son given for you. This is my body given for you.

This is my blood poured out for you. This is my body given for you.

This is the earth receiving His blood. This is my body given for you.

This is the earth offering its grain. This is my body given for you.

This is my Spirit poured out on you. This is my body given for you.

This is the body of Christ given to her Lord. This is my body given for you.

This is the Lamb of God offering Himself. This is my body given for you.

This is the bride of Christ offering herself. This is my body given for you.
